

Summary

Operator with founder and venture experience, currently building Subatom, a job automation platform. Proven in strategy, execution, and growth across startups, VC, and government programs, with a strong bias toward action in ambiguous environments.

work experience

Subatom AI – Founder (12 Months, Mar 2025 – Nov 2026)

- Built Subatom, owning end-to-end product logic and system design for a job-automation platform spanning resume intelligence and application workflows.
- Defined architecture and workflows, translating user problems into structured product and data flows.
- Ran multiple rapid product experiments within Subatom, shipping and validating features based on feedback and market signals.
- Led product pivot (Dec 2025–Feb 2026): built **Ellyn**, an **AI email discovery engine** for recruiter outreach; evaluated accuracy, cost, and enterprise use cases.

Consulting – Strategy, IB, Sales & Growth (19 Months, Dec 2023 – July 2025)

- Partnered with founders on strategy and execution across multiple startups.
- Facilitated secondary sale of shares of multiple startups pre-IPO and tried taking a couple of startups public via an SME IPO.
- Increased organic traffic by 28% and improved lead generation by 45%.
- Contributed to reducing operating costs via prioritization and decision support.

Venture Experiments – Feasibility & Market Validation (18 Months, Oct 2023 – Mar 2025)

- Piloted concepts across SME trade credit (steel & agri), commercial pest control (PestProx), and healthy snacking via market test.
- Identified structural risks including non-standard trade accounting, NBFC constraints, scalability bottlenecks, and saturated markets, killing non-viable ideas early.

Eximius Ventures (Venture Capital) – Growth Associate (13 Months, Sep 2022 - Oct 2023)

- Rebranded and repositioned the fund ahead of fundraising, resulting in a 3× increase in digital footprint.
- Screened and sourced startup deals across Fintech, HealthTech, SaaS, Deeptech, and GenAI.
- Supported portfolio companies with strategic planning, partnerships, and growth execution.
- Led partnerships, ecosystem engagement, and fund marketing initiatives.

Invest India – Seed Fund Specialist (Startup India Seed Fund Scheme) (4 Months, May 2022 - Aug 2022)

- Screened startups and incubators under SISF and prepared investment notes for ISMC decision-making.
- Built KPI tracking systems for fund disbursements, returns, and drop-off rates.
- Designed outreach strategies, reports on government startup initiatives and handled RTI requests

Uncover Campus (Community- EdTech)- Co-Founder (19 Months, Jan 2021 - July 2022)

- Co-founded a student lifecycle platform addressing needs from admission through graduation.
- Partnered with 72+ college societies and scaled a 100K+ student community.
- Built GTM and monetization strategies, achieving 12× user growth in one month.
- Led strategy development, stakeholder communication, and team execution.

WorldRef – International Business Development Intern (3 Month, Jan 2022 - May 2022)	HDFC Credila – Research Intern (3 Months, Aug 2021 – Nov 2021)	Amico Wealth - PE Intern (1 months, Dec 2021 – Jan 2022)
Drove B2B procurement and tender execution; coordinated with international stakeholders and resolved supply-chain issues.	Sector and credit research on education finance; built forecasting models supporting internal decisions.	Supported deal screening through valuation research, PE-band analysis, and ESG assessments.

EDUCATIONAL QUALIFICATIONS	B.Com (P) – Sri Aurobindo College, University of Delhi 2022 CGPA: 7.55
